The funding will be allocated directly to primary schools to spend on improving the quality of sport and PE for all pupils.

Our school allocation

Our school has been awarded £3679.00 for the academic year 2016-2017 (this is confirmed to the end of August 2016). We are awaiting information as to whether this will be extended beyond August.

The money will be used to help provide for the following initiatives:

Initiative	Cost	Aim	Evaluation
Sports Kits	1000.00	To further promote the sense of belonging and team through a visual presence.	A set of football kits and PE tracksuits has been purchased for KS2, which they have allocated to them if they are successful in making the school team. We have seen a much greater enthusiasm for trials and staff and pupils have noted greater pride and see of team when they attend offsite competitions.
Equipment (Cooking) - To facilitate the Healthy Options aspect of the PE curriculum: To promote the development and understanding of a healthy lifestyle through cooking and diet.	1500.00	To broaden pupils' palates re types of meals eaten & to develop an awareness of how a healthy lifestyle can have an impact on their physical, mental, academic and emotional well-being.	The new school kitchen is very much enjoyed by pupils and those who have had the opportunity to use the cooking facilities have relished the experience. The school chef has been leading cooking sessions for pupils and supporting staff with cooking/baking sessions to support units of work. This is an area that the school are committed to developing further.
Travel and Transport for events and or School Holiday Sports Provision/Residential.	1179.00	Getting pupils (and staff where applicable) to and from events as swiftly as possible.	Pupils are punctual in their arrival and departure from events. These include sporting fixtures, debate events, concerts and drama productions (Shakespeare Festival).
