PE Uniform - It's getting colder...

As the temperature is getting colder as we move into Autumn please remember to send your child to school with an appropriate PE uniform including either navy jogging bottoms or leggings and a school PE sweater. The lessons are very active, however when children are taking part in the cool down session before getting dressed or heading home, those with only T-Shirts and shorts are getting mighty chilly. Many thanks.

Junior Road Safety Officers (JRSO) Training

Following his JRSO training day Carl in Year 5 had this to report. Ms Cunningham took us to the Hackney Town Hall for our JRSO training where we made posters that said "Stop, Look & Listen". We learnt how to stay safe when crossing roads through role play and we also learnt how to ride a bike safely. The trainers also helped by giving us ideas about how to present an assembly on road safety. We really enjoyed our JRSO training event, it was so much fun and informative!

Learning at Home...

Homework set for children at Holy Trinity includes opportunities for pupils to engage in learning tasks at home, which include topic projects and reading activities that are designed to help involve parents and carers with the learning taking place in school. Completing Maths on the IXL website, also gives children the opportunity to complete independent study and consolidate learning from school. We hope that you are now becoming more familiar with the new homework changes put in place at the start of term, and the tasks/activities set for your child. However if you have any queries please bring these along to parents evening on the 15th October, where you will find an information area to guide you through the school website and IXL. You will also find suggestions for how to help your child learn their spellings and their learn at home maths facts.

Parents Evening on 15.10.18 - Signing Up

From Monday 8th October you can pop into the front office to sign up for Parents Evening appointments for children in Nursery to Year 6. If you need a particular appointment time due to work sign up a.s.a.p for the best chance of getting the time you would like.

P.A. Football Tournament

Children from the Holy Trinity Football team travelled to Gainsborough School on Tuesday to play a league game. The very exciting game was nail biting to watch!

**Theme of next week:
Inspiration**

dates to Remember

09.10.18

14:45 - 15:30

Reception Parent Workshop on Number

10.10.18

Year 3 Trip to the British Museum

15.10.18

Parents Evening

19.10.18

14:30 - 15:30

Nursery and Preschool Stay and Play Session

22.10.18 - 26.10.18

Half Term Holidays - School closed to all children

29.10.18

INSET Day - School Closed to all children

01.11.18

18:00 - 21:30

KS2 Passion Project - Romeo and Juliet Performance

ATTENDANCE THIS WEEK

Joint 1st: Year 1H & Year 4 with 99%

2nd: Year 2 with 98.9%

3rd: Year 5 with 98.6%

PRESCHOOL UNDER 2'S

We do love snuggling up on the sofa with a good book! Do you? I bet yours don't have gigantic pictures of animals of all different textures for you to feel through!

PRESCHOOL

We visited the school library and looked at lots of books. We talked about which books we have at home too.

NURSERY

We built fantastic high rise cities and then we knocked them down like bowling skittles.

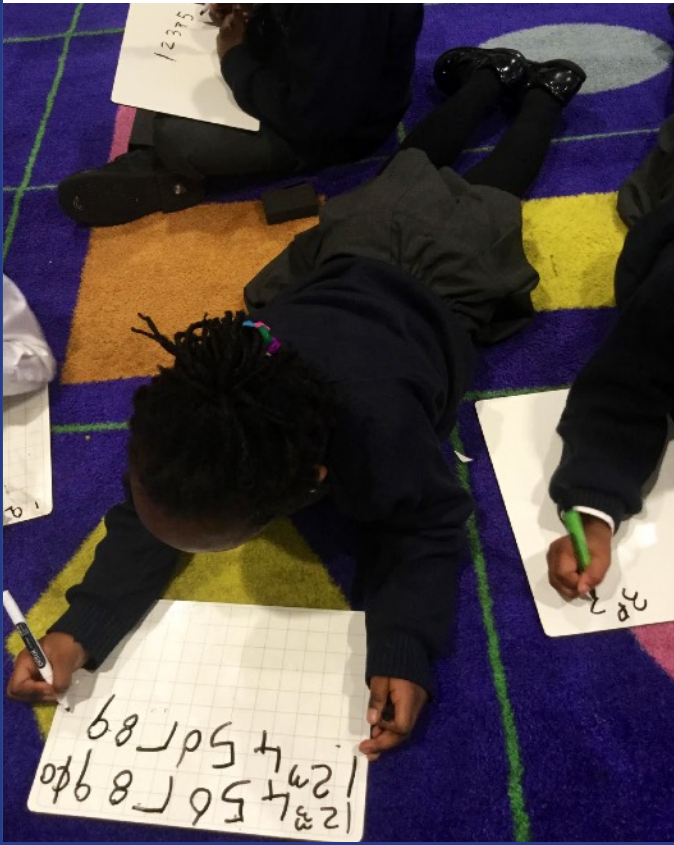

RECEPTION H

We have been reading 'Not now, Bernard'. A story that tells the tale of a boy, his family and a hungry monster. We thought about the features of a monster and drew monsters of our own. Don't our monsters look scary!

RECEPTION T

We have been learning about our numbers and how to write them and put them in numerical order.

YEAR 1 H

We mixed paint to make hair and skin colours for our self portraits.

YEAR 1 T

We have been practising our partner reading.

YEAR 2

For our warm up in PE this week we played a game called Chicken Twin Hero.

YEAR 3

We are learning to add one digit numbers to three digit numbers. We began by considering how we would solve equations choosing between a mental or written strategy.

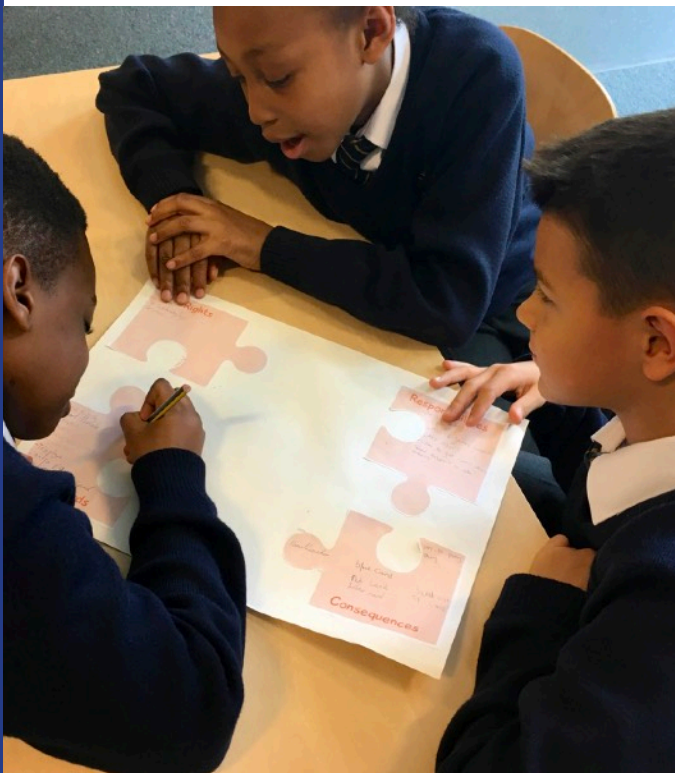

YEAR 4

We were archaeologists for the day, when we visited the Roman Dead exhibition at the Museum of London. We learnt all about the ancient Roman settlement of Londinium through the objects that were recovered from real Roman graves in our home city.

YEAR 5

In PSHCE, we were learning about rights, responsibilities, rewards and consequences. We then considered how these fit together as pieces of a puzzle.

YEAR 6

In RE we debated whether Muslims need to do everything stated in the Quran to show their commitment to god
