# Please pay off all monies owed

A reminder from the school office that all monies owed must be paid in full before the end of term. If you are not sure how much you owe please either call and ask or pop into the office to check with staff directly. It is important that we can close off accounts at the end of the term without debt on the books. You will not be able to access any additional provision for the Autumn term until all debts are paid off.
